Sub: Visy Board Pty Ltd Hemmant Site HACCP Audit

To whom it may concern,

This is to confirm that the HACCP Stage 2 audit for Visy Board Pty Ltd Hemmant Site was conducted on August 1-2, 2024. All identified non-conformities have been addressed, and a recommendation for certification has been made.

The site is included in a multisite certification, and the certification will be issued once all sites have completed their HACCP audits by the end of December 2024.

Thanks
